

Warm Spaces Braintree District

ESSEX LIBRARY SERVICE

Libraries are free for everyone, and while libraries across the county open year-round for residents, we recognise the need to respond to the rise in living costs by providing warm and inviting spaces, hot drinks, activities, and the opportunity to connect with others. 'Warm Welcomes' commits to supporting residents over the winter, particularly those affected by the cost-of-living crisis and rise in energy prices.

To find out what is available in each Library call **0345 603 7628** or email Information.Enquiry@essex.gov.uk

Braintree Frontline is a free website with up-to-date information on local community support and wellbeing services across the district. The public and professionals can refer directly to many services via Frontline, quickly and easily. Go to www.braintreefrontline.org.uk
